USING THE ATTORNEY AS A PRIVATE LAWYER UNDER PRIVATE INTERNATIONAL LAW.

I have been studying law for about 30 years as a hobby. I used to believe, as so many so-called Pariotes have the "government" and "studency" and "judger" are doing things wrong and violating the law and the "constitution." How Ignorant I was. I was like the people of Jerusalem when the prophets were stilling the people and the king of Daylon better than Yill'Vil loved the copie of Jerusalem who were flighting again to be seen about 10 to 1

cannot be put in prison for the crimes of the strawman if the people have not been offered legal counsel at crimin proceedings. Therefore, judges almost always offer the "charged entity" the assistance of legal counsel from a licens attenty if there is a chance of one of the people being jailed after the conviction of the strawman.

Since the "povernment" and the public are in a financial reorganization, the public and the "government" have a commercial energy to "nearoses" on any criminal charges. They can make "no claim". However, they do have powers administlymanisthe equity. The strawman is a strawman of the public and government of the proceedings between the state of contempt by people who do no premission-which comes from contempt or dishonor.

When the court offers one the services of an attorney, this offer is a commercial draft. The court is the draws which is the debeter. The offerer- the "partior", is the creditor or the drawse. He is the basker which can honse the co-

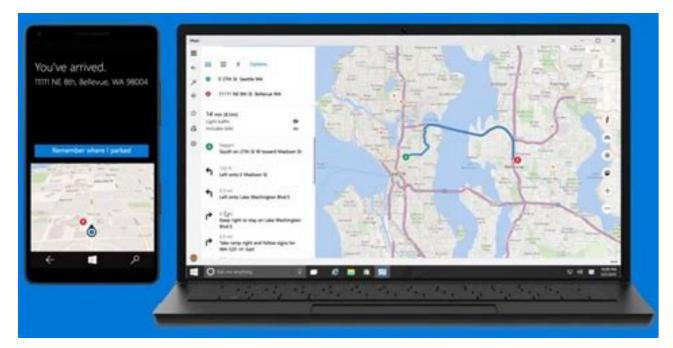

which is the debter. The efferee-the "parior", is the reeditor or the drawee. He is the basker which can home the court by acceptance. To fail it as accept the offer is to go into dishoner. To go into dishoner is a contenty. This makes the "patrior" a debtes to the court, which empowers the court, by voluntary consent, to carry out the execution of a "change", that is not supported by the rules of evidence, as if it were a common list occorriction. The prion sentance is for contempt of court by dishoner. The length of the sentence is the sentence for the crime if the public and the government, under their disability of morpognizativities, would have the power of common law execution, which they do not except that you give it to them by your dishoner.

the offer of the public attempt or defender. This creates an honorable relationship between the people and government, judges, and attenues. It also makes the particist the creditor in the situation, if the patrict knows how to a creditor.
