In the world's most polluted city, Noreen soon meets kind, handsome Kabir, who introduces her to the wonders of this magical, complicated place. With the help of Kabir—plus Bollywood celebrities, fourteenth-century ruins, karaoke parties, and Sufi saints—Noreen discovers new meanings for home. But when a family scandal erupts, Noreen and Kabir must face complex questions in their own relationship: What does it mean to truly stand by someone—and what are the boundaries of love?
