They argued and mentioned that dialogs such as: - Two subjects that discard from doing good and evil respectfully, "were included to reaffirm that the imbalance of the protagonists only about them [130]" also added that the Joker returned to his mother in this representation when the character seems to have fun telling multiple origins for the scars that search his face. [130] called the work one of the "four 3 days of Cumica", influenced Nolan. [ 130] Àe à~ "For the series created by the WB Television Network called the "Tears of Prey" - slightly based on the series of comic books today - It is precise as one of the points of origin the attack on Barbara.
